

Look, listen and feel around Europe

eTwinning

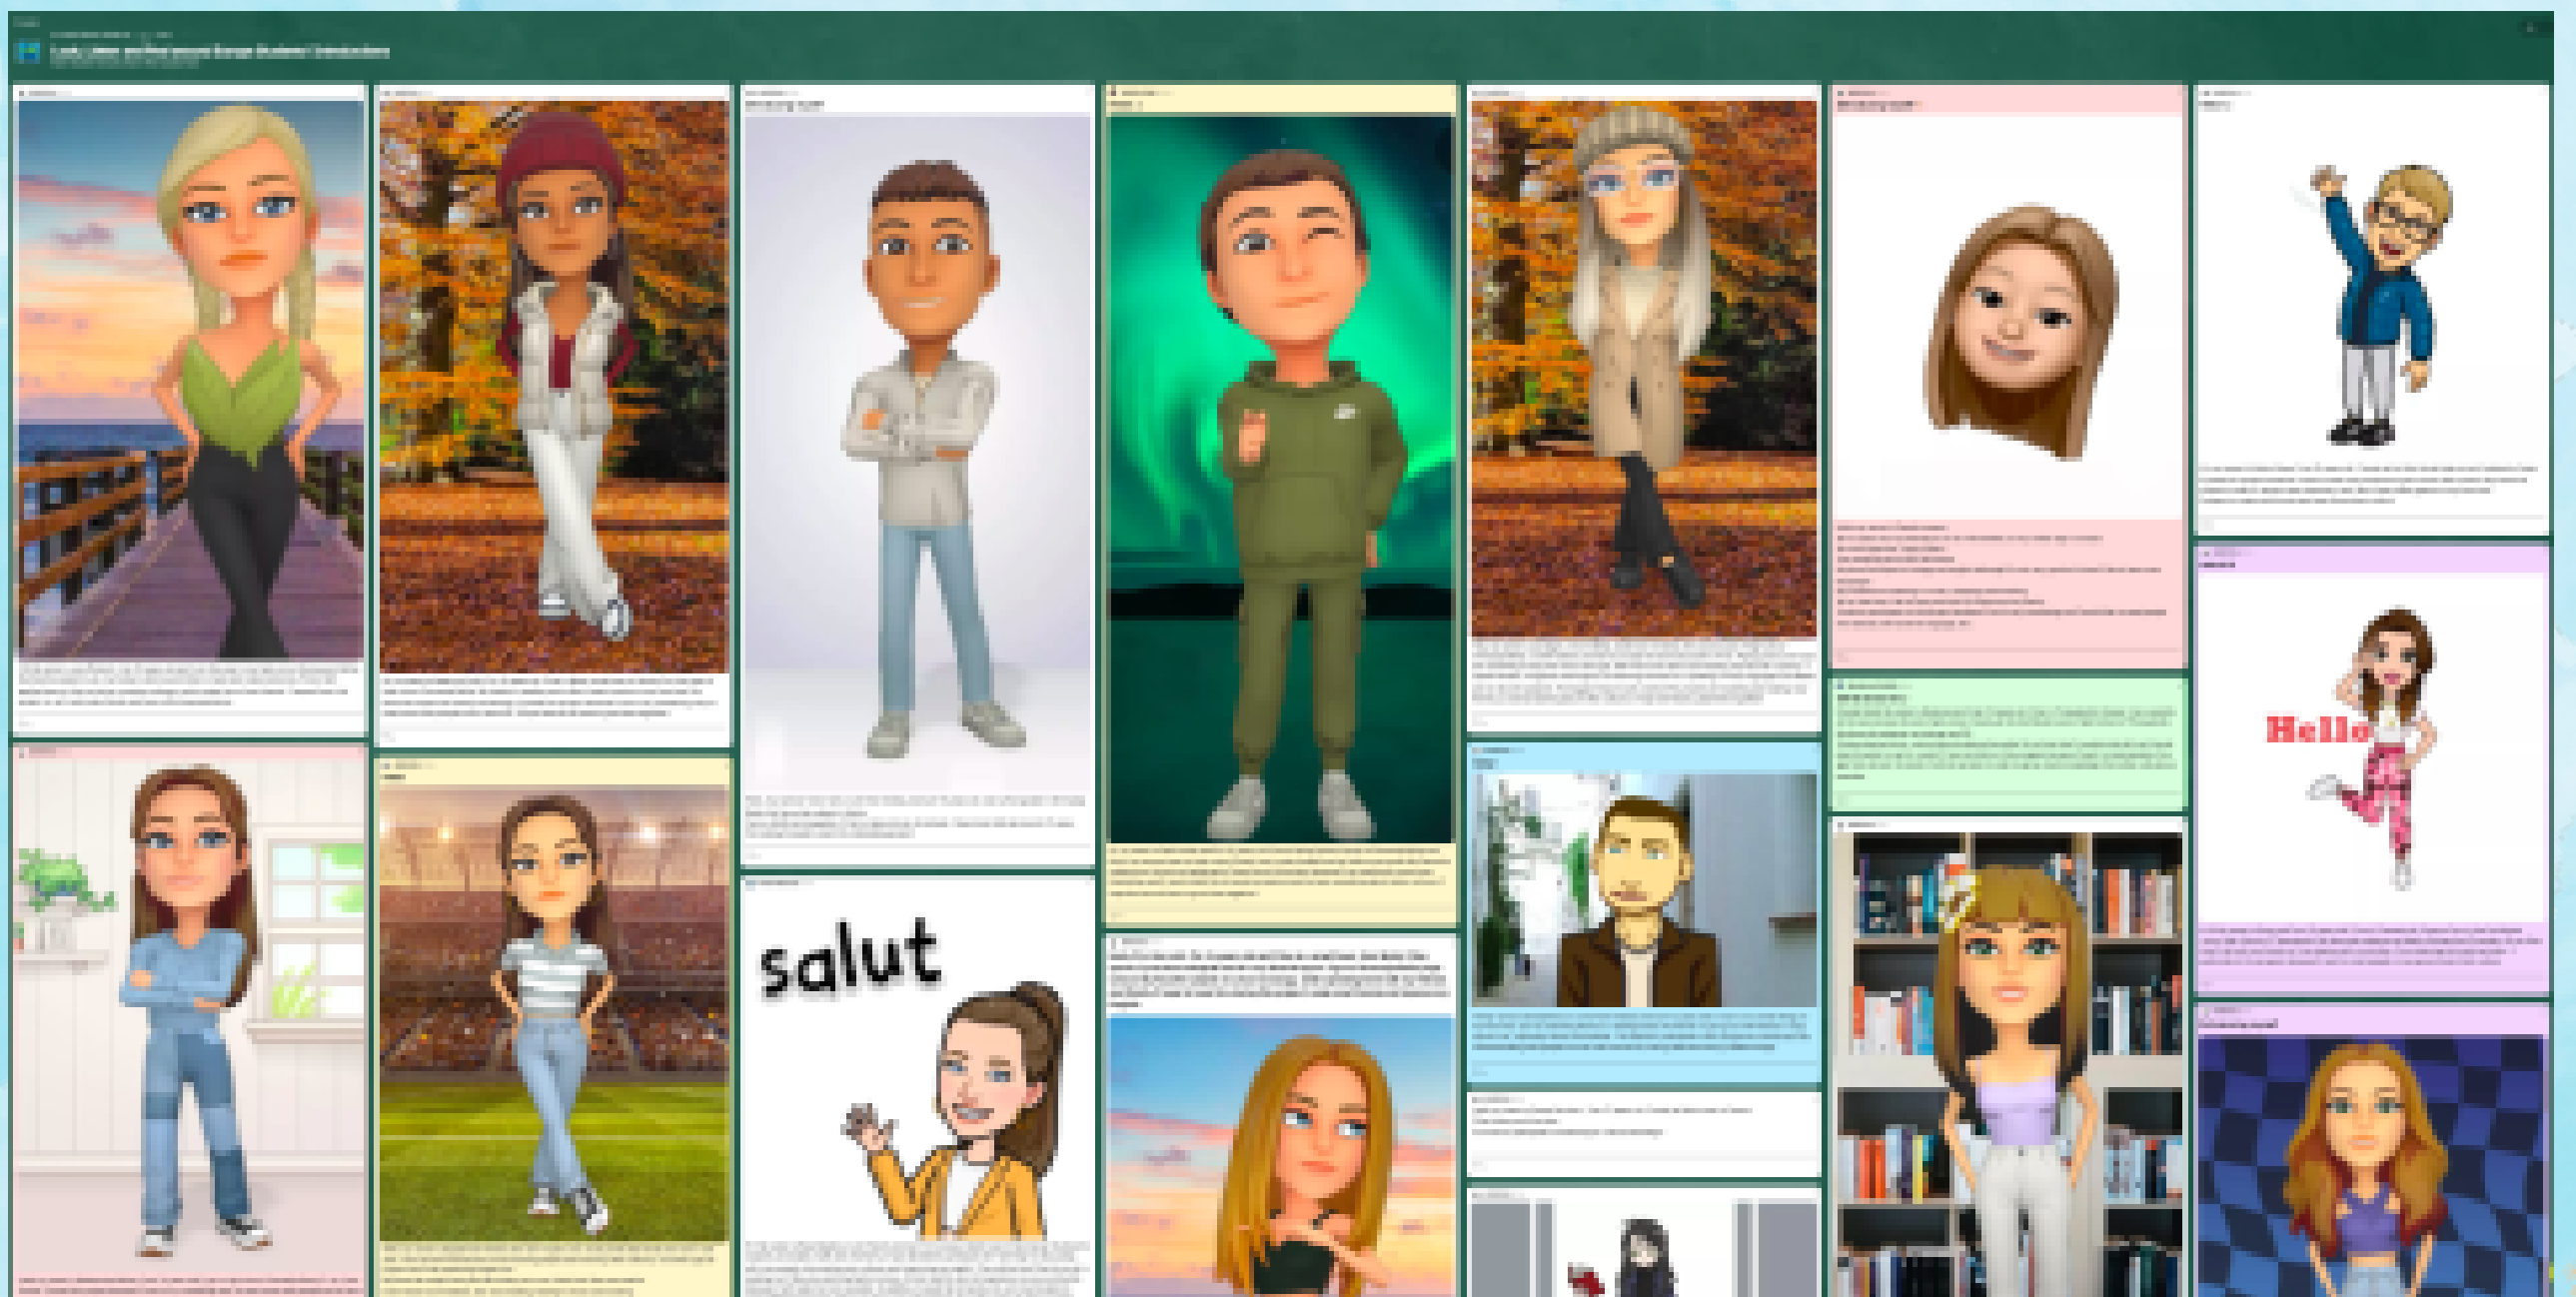

Co-funded by the
Erasmus+ Programme
of the European Union

Project description

The main goal is to empower students through the knowledge of their own sociocultural and natural heritage and its sustainability, enhancing their knowledge of Europe and their sense of belonging. By working in international groups students will gain knowledge of the other partner countries' sociocultural and natural heritage.

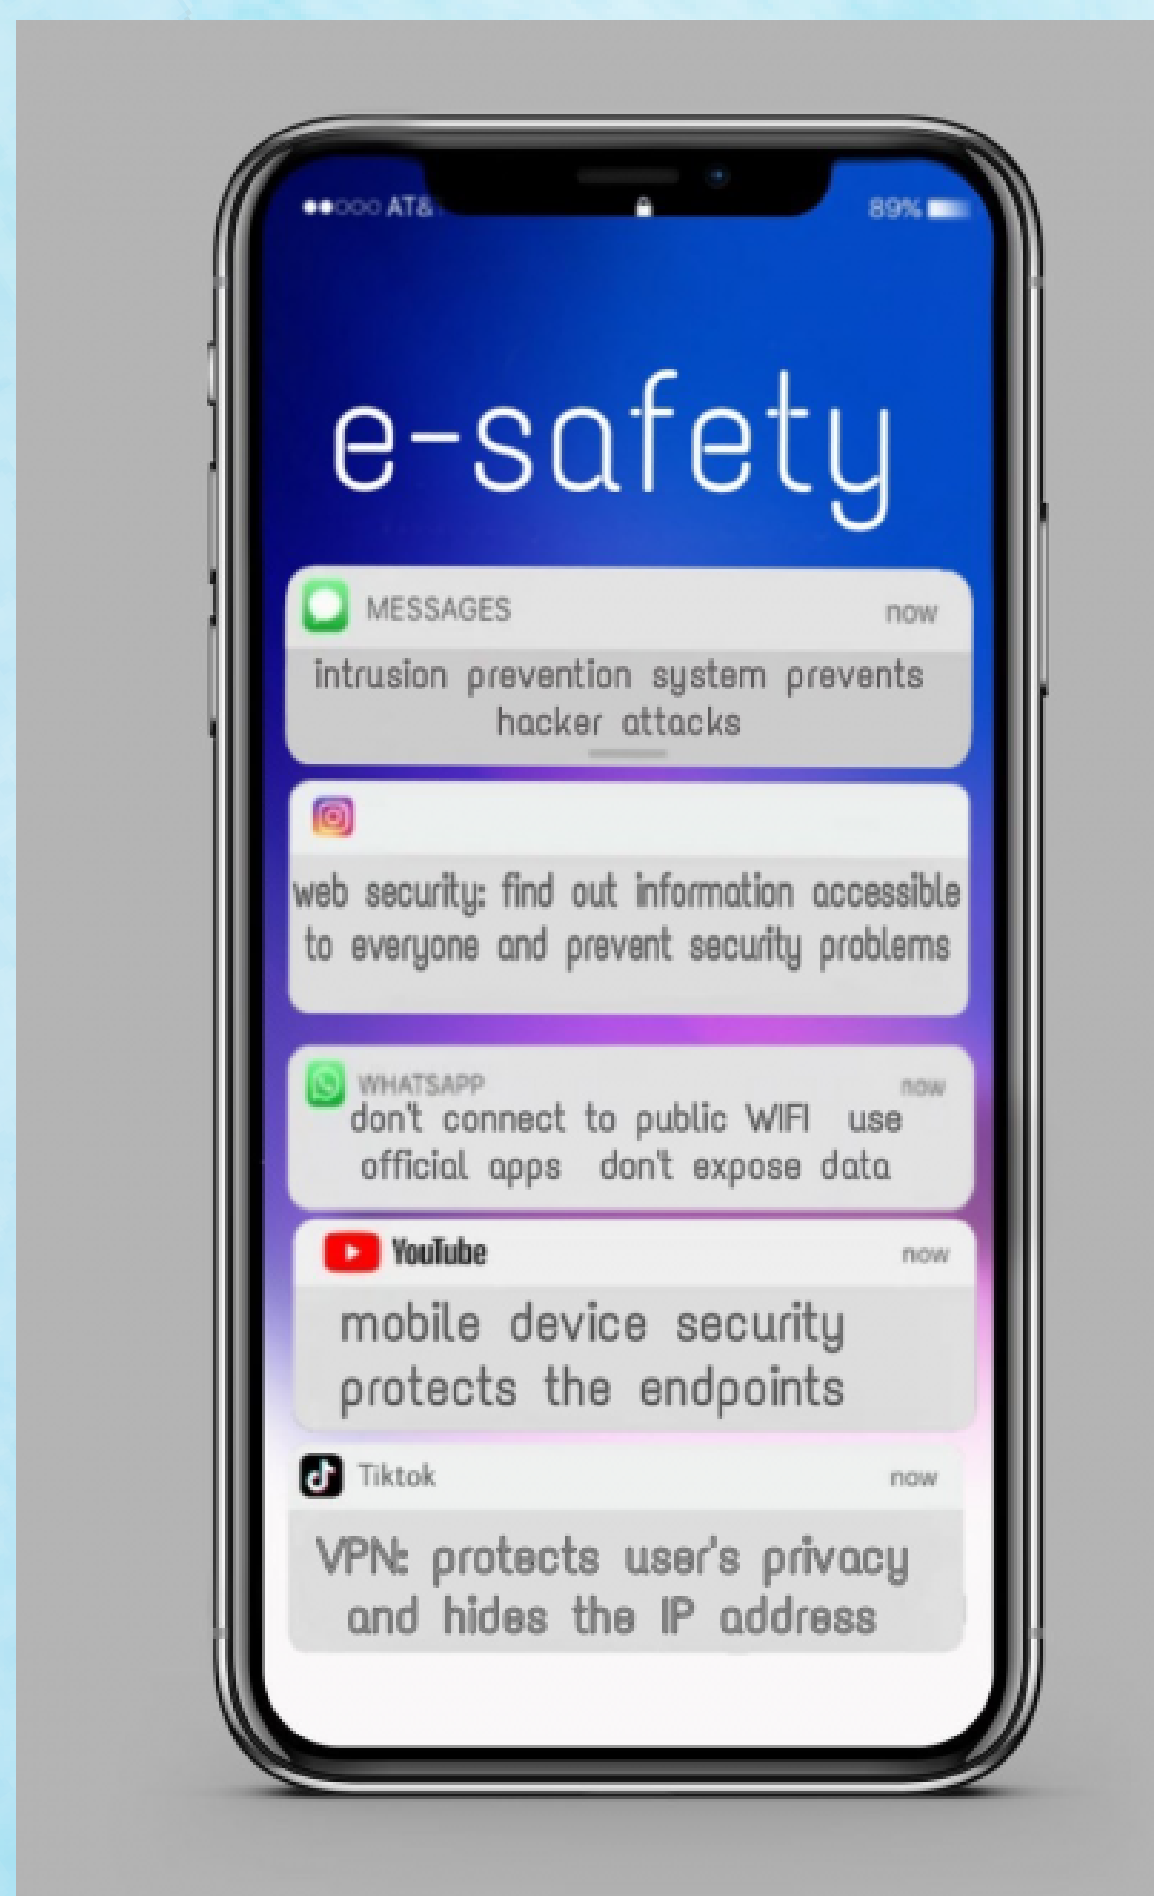

Student's Introductions

Students introduced themselves on the Padlet.

Task 1

Each team had to design an attractive and very clear poster to show the dangers and the rules to be published on the schools social media as well as printed in each school.

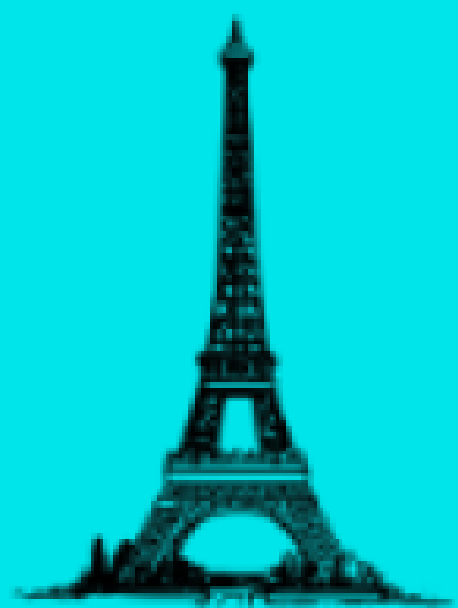

Task 2

Logo Design and Project Motto

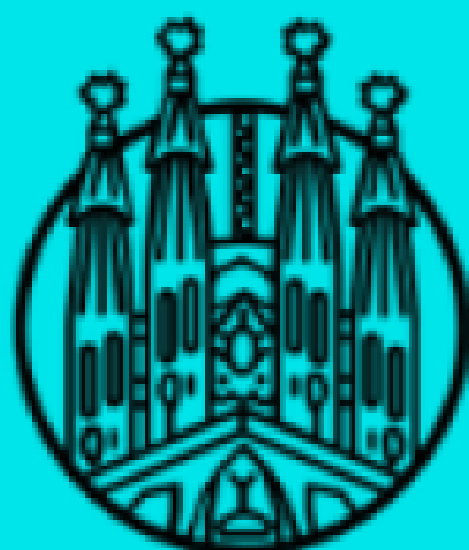

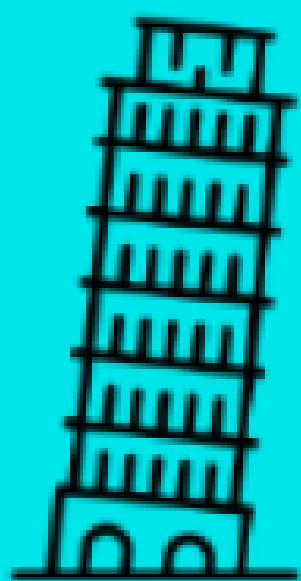

Winner Motto of our Project:

Look, listen and feel around
you in Europe. United like the
puzzle pieces!

Winner Logo:

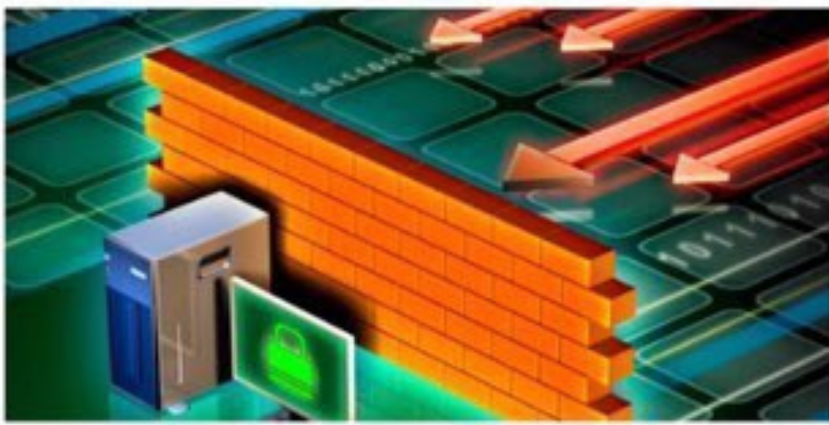

*Different past
Common future*

First Project

This project was about the safe use of technology and Internet

SAFE-TECH

Firewalls

~The system that controls outgoing and incoming unauthorized on a LAN network.

Email security

~Protecting email communications and accounts from unauthorized access

~ Cybercriminals attack email

Application security

~The process of developing, adding and testing security features

Why is Online security important?

~Is important because no network is immune from attack

~ helps prevent cyber attacks

Examples of what it is in real life

- ~Network security
- ~ Browsing security
- ~ Reputation security

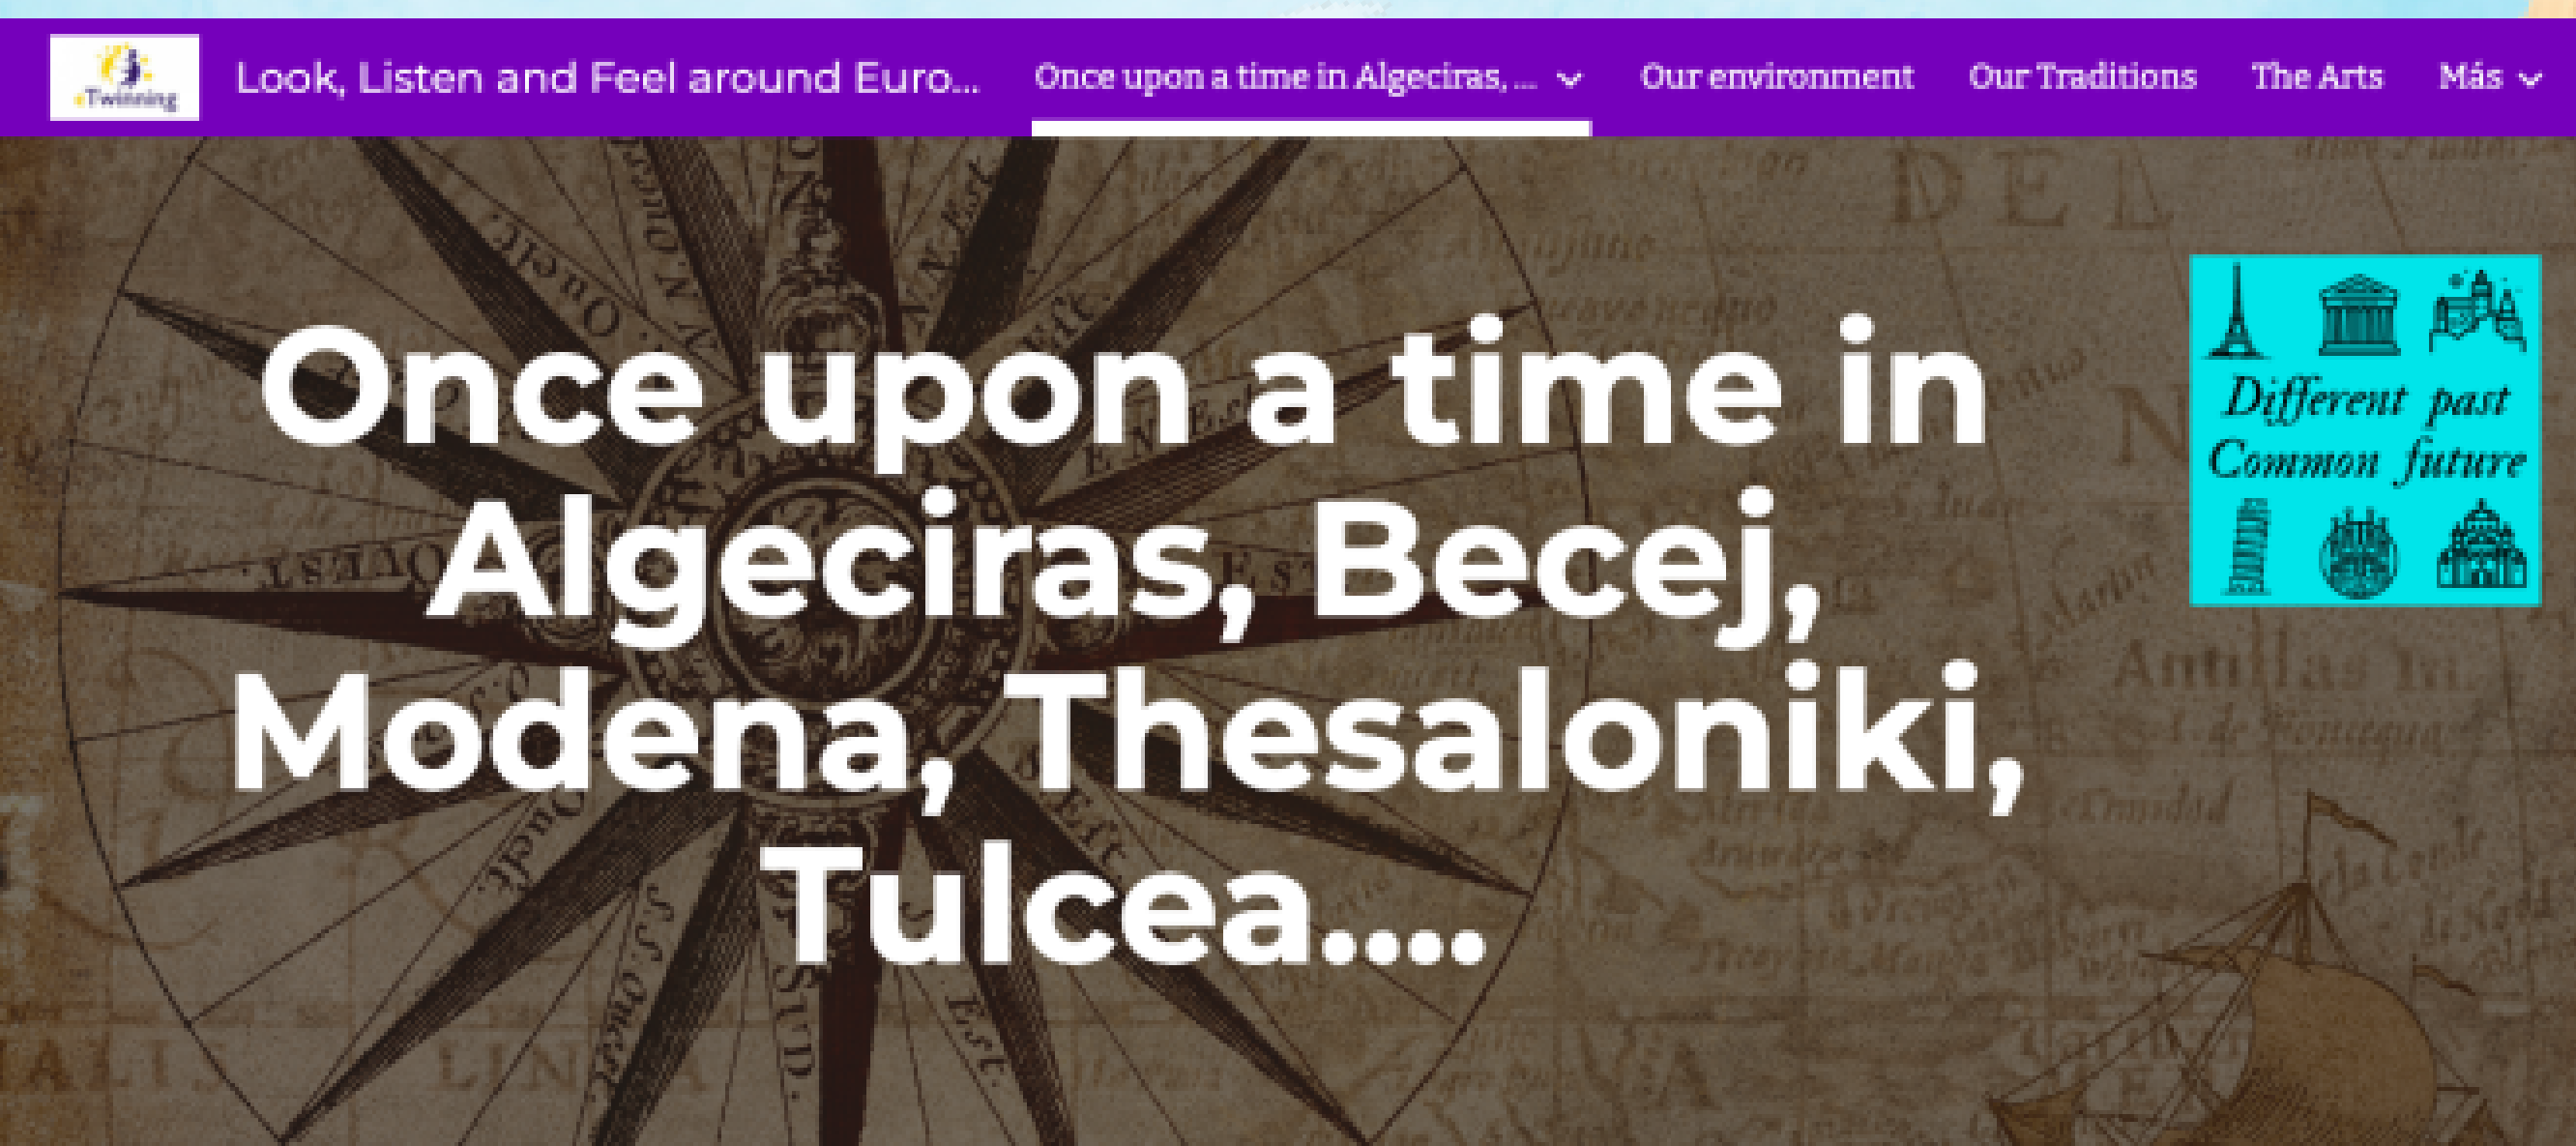

Consequences it may have if you don't follow it

- ~Theft of Information
- ~Identity theft
- ~Malware attacks
- ~Harassment on networks
- ~Stalking
- ~Social Engineering

Task 3

Creating the webpage:
Once upon a time in...

The students exchanged the information about their cities with their partners. They designed a website called Once upon a Time in the city of Algeciras, Becej, Modena, Thesaloniki and Tulcea.

Task 4

**Creating the five main topics
of the webpage**

Once upon a time in...

**The students were divided in five
international groups and they were
discussing about the following
topics:**

1. Natural resources

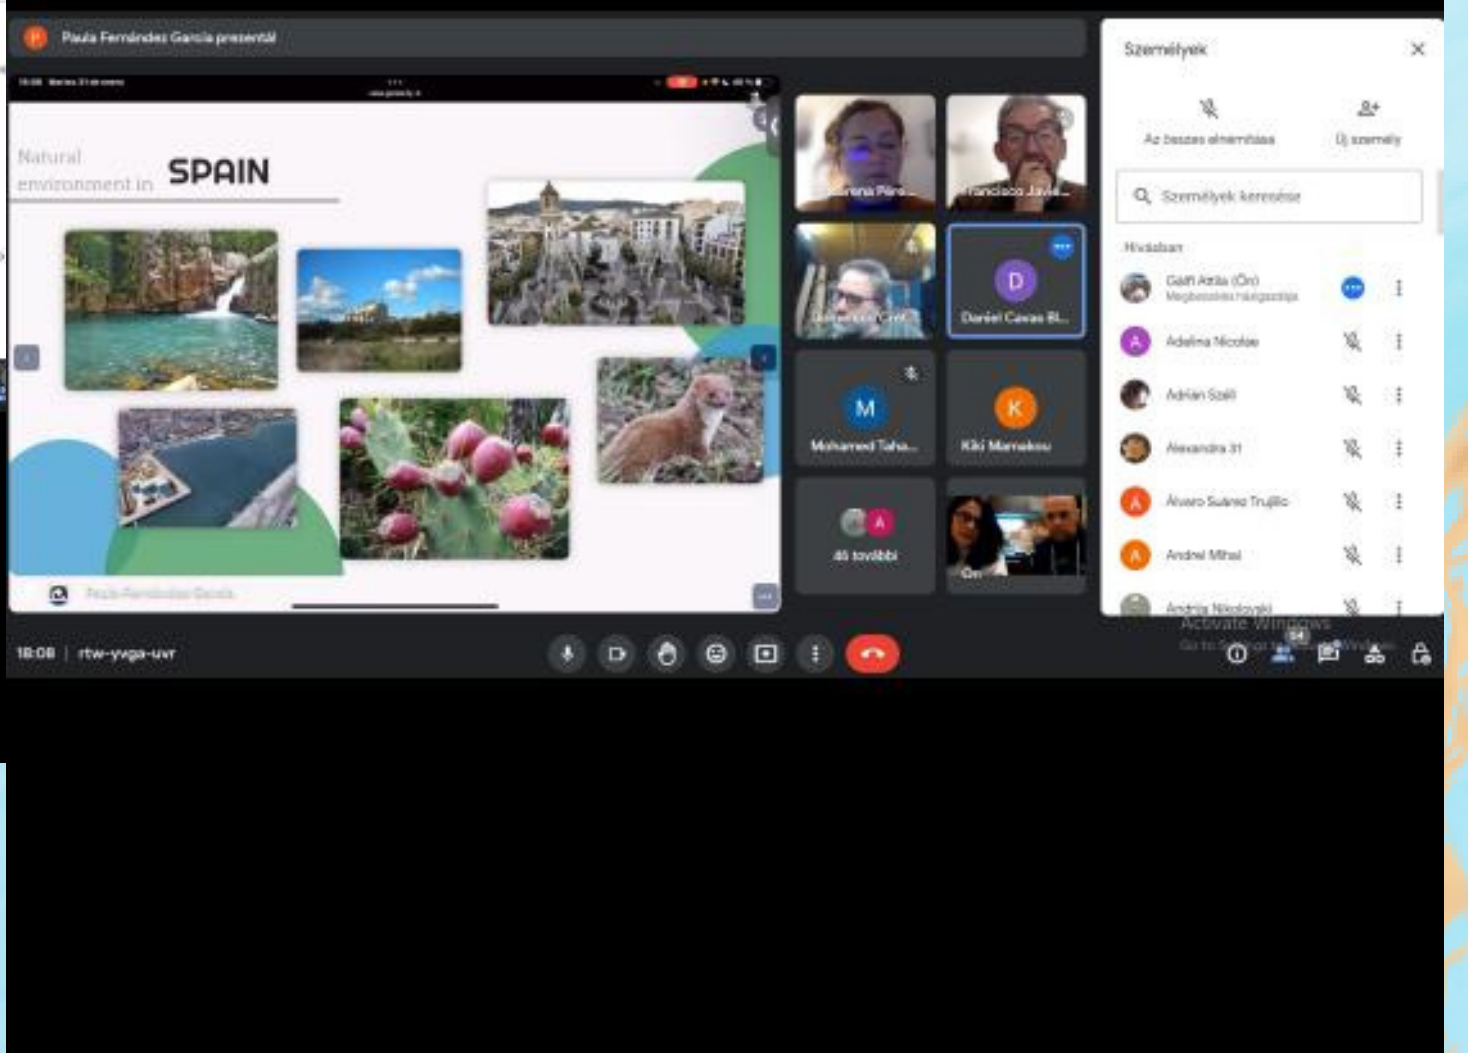

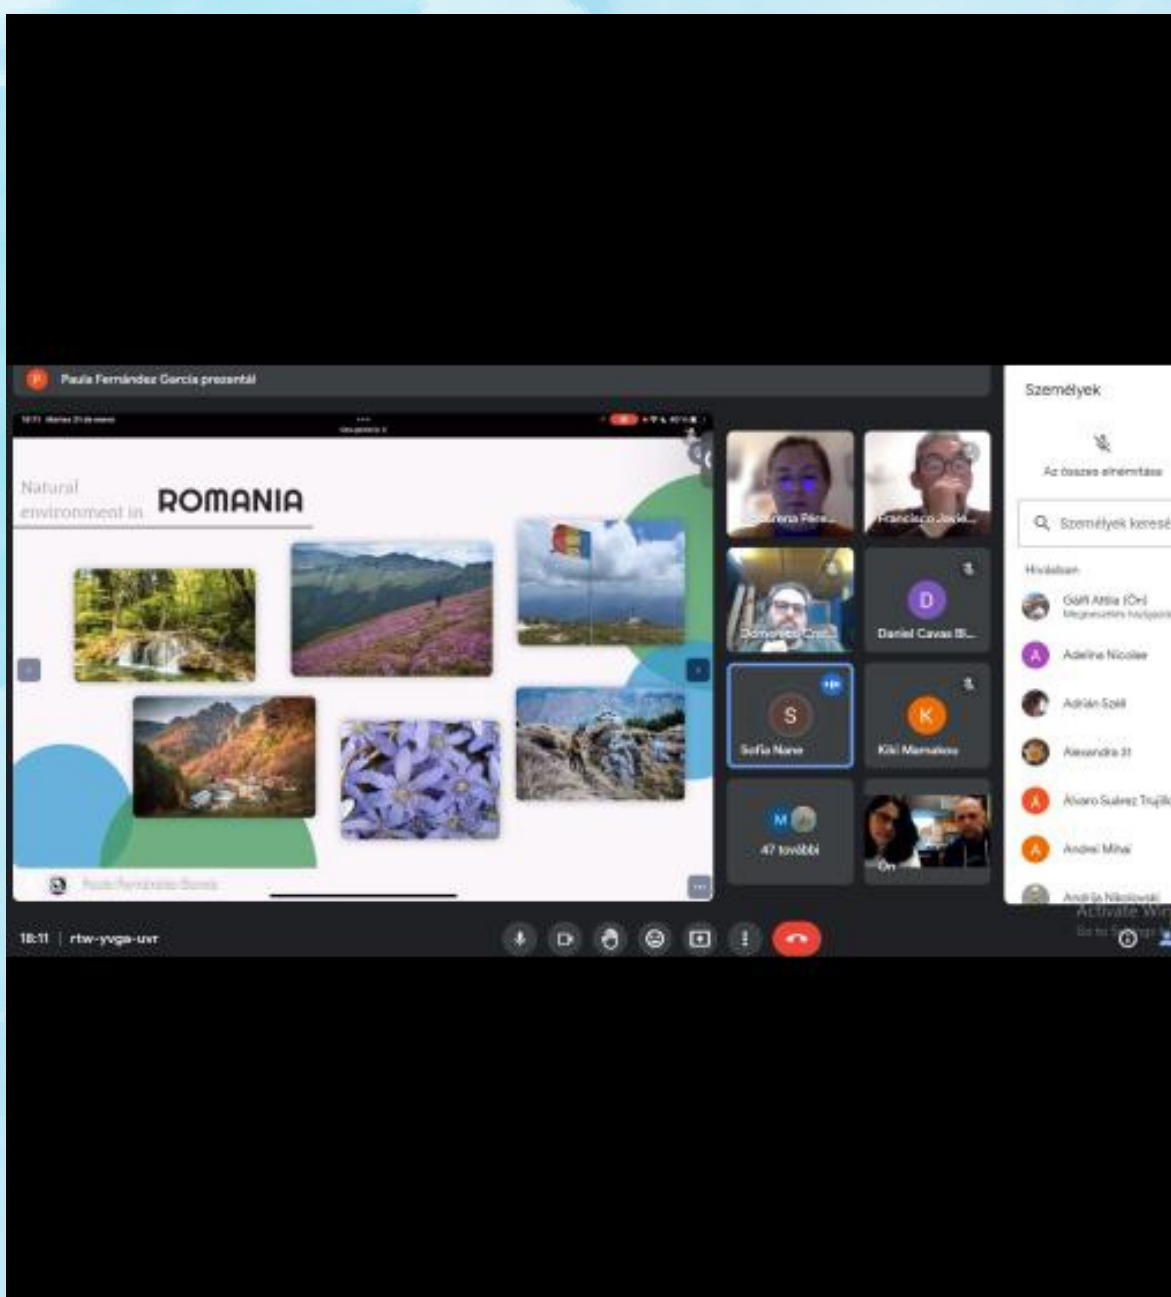

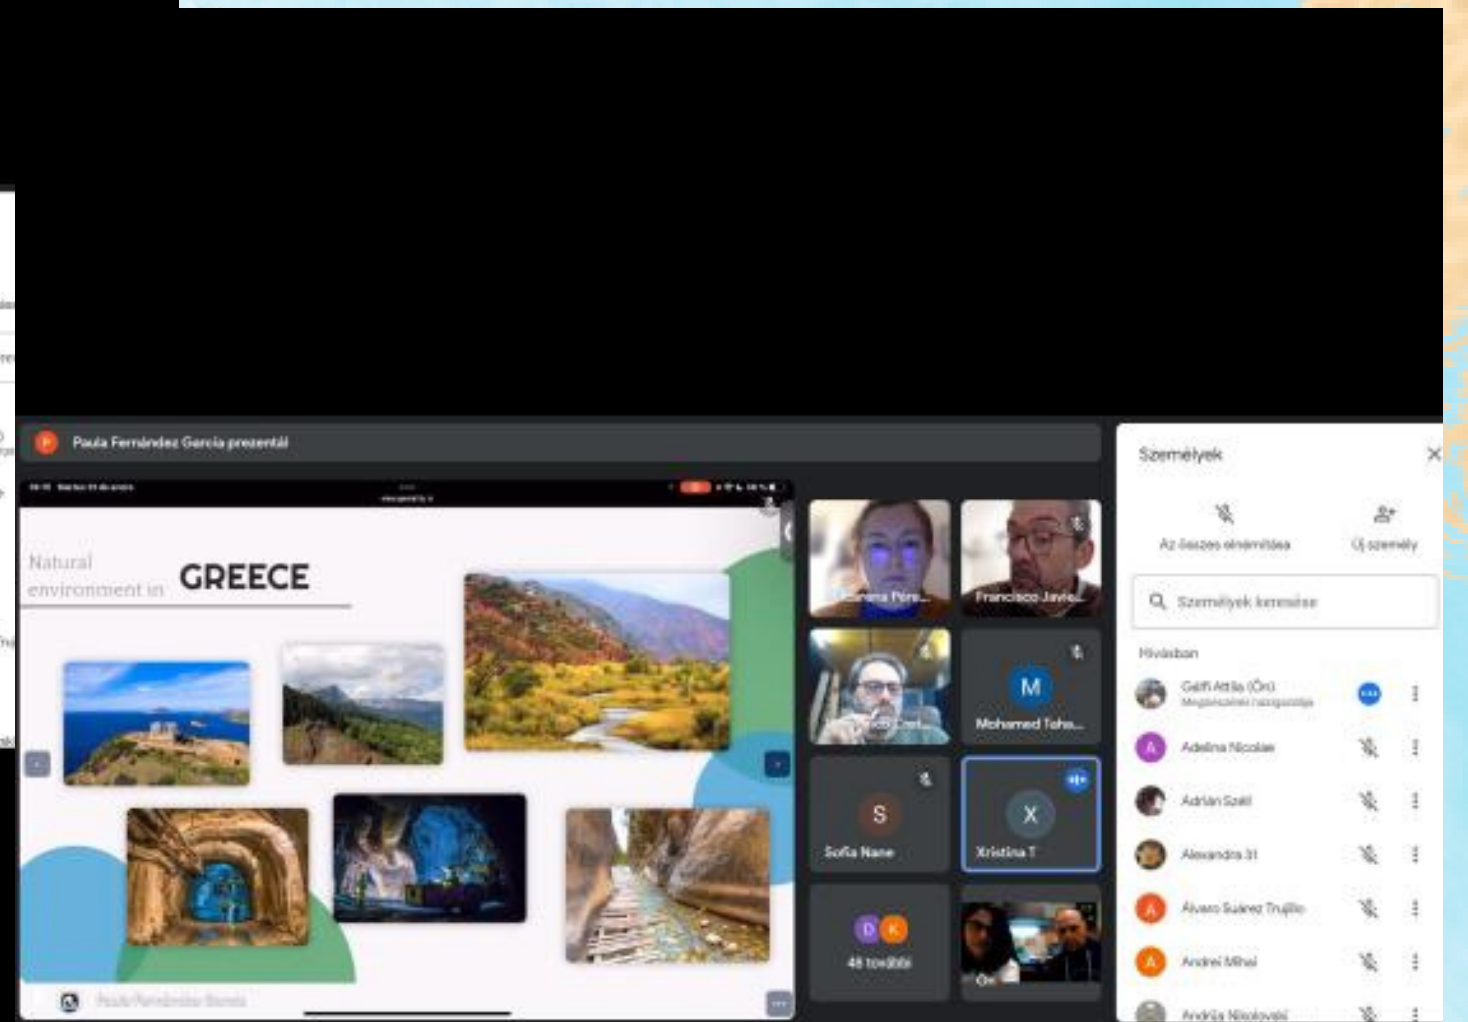

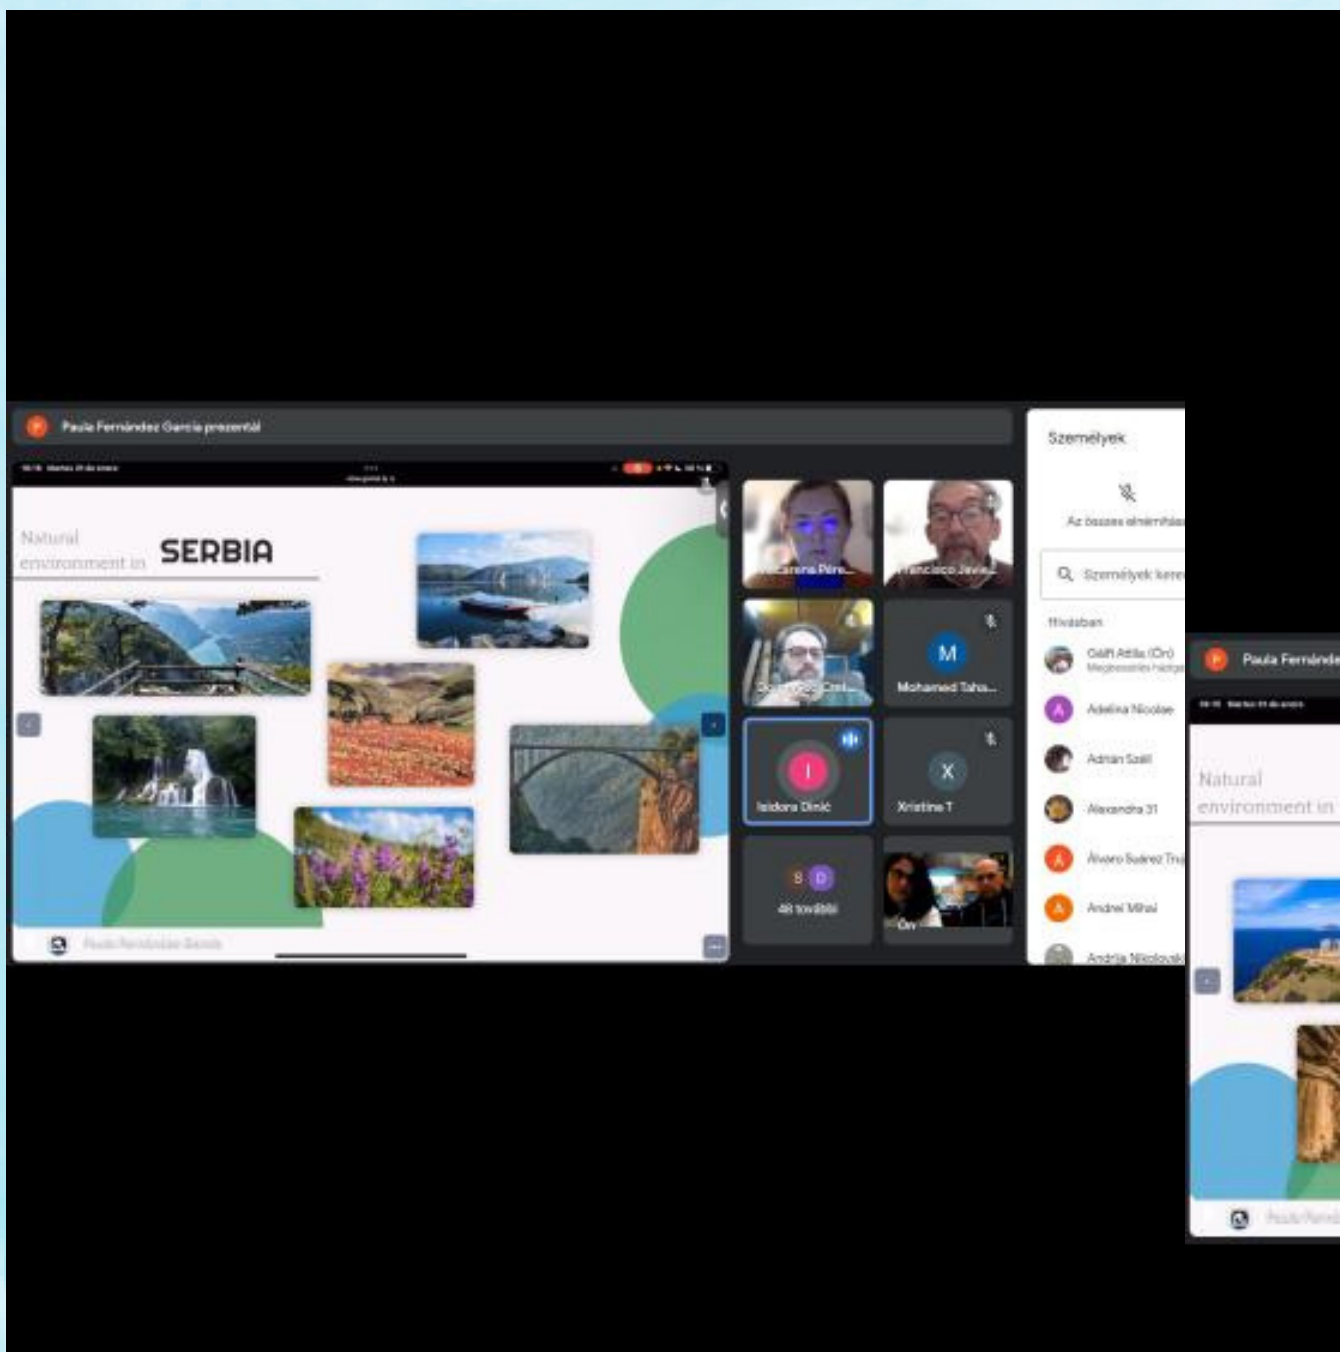

2. Traditions

3. Arts

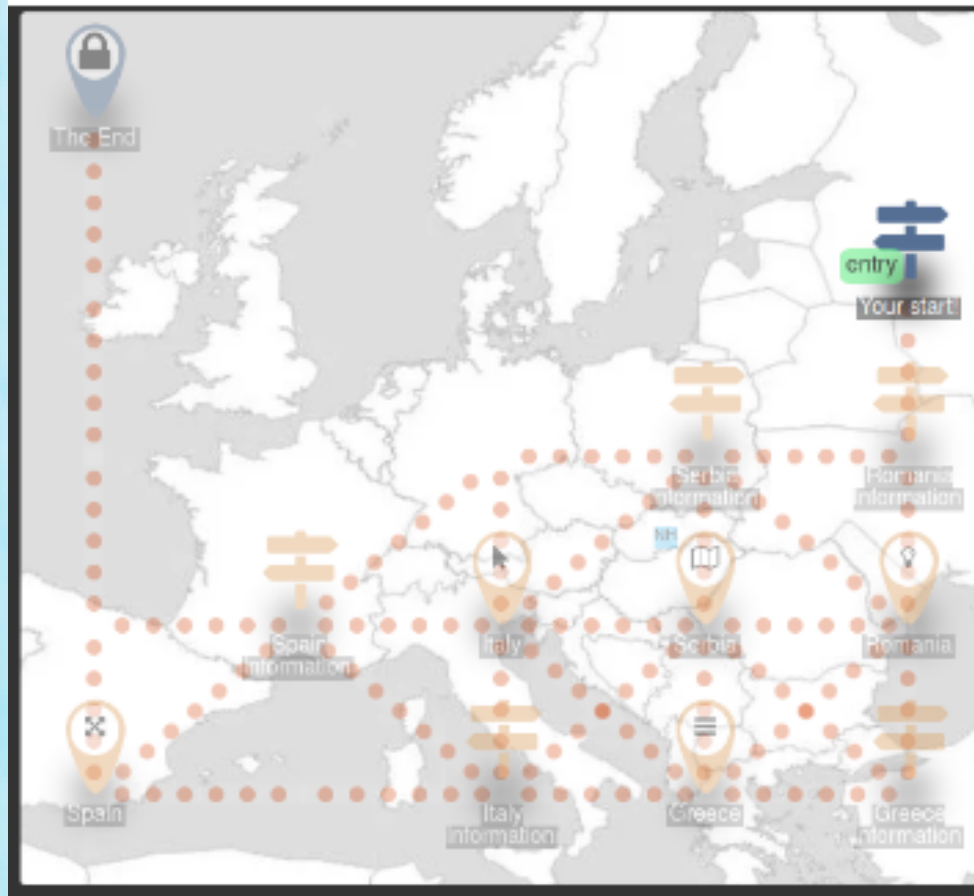

4. History

5. Literature

Introducción

Nuestro proyecto se centra en promover el intercambio intercultural entre países de la unión europea. A través de este proyecto, pretendemos profundizar nuestra comprensión de las ciudades extranjeras, sus costumbres y nuestras diferencias. Nuestro equipo de estudiantes y profesores dedicados trabajó estrechamente con las comunidades locales, comprometidos con organizaciones culturales, escuelas y otros grupos para asegurar que el proyecto refleje las experiencias vividas y las perspectivas de los personas que forman a estas ciudades su hogar.

Look, listen and feel around you in Europe. United like the puzzle pieces!

Intercambios

Experiencia

En este proyecto, hemos conocido gente, visitado nuevas zonas, aprendido sobre nuevas culturas, y mejorado nuestra inglés. Pero sobre todo, hemos hecho nuevas amistades y hemos disfrutado de tener un segundo hogar. Erasmus+ ha sido y está siendo una experiencia increíble para nosotros y una gran oportunidad para madurar como personas.

Cofinanciado por el programa Erasmus+ de la Unión Europea
